

rTMS Referral Process

1

Fill out referral form

Referral form filled out by a GP/Psychiatrist and emailed to tms@perron.uwa.edu.au.

2

Phone call assessment by clinical nurse

rTMS triage to ensure eligibility.

3

rTMS psychiatrist appointment

Comprehensive safety, feasibility, and eligibility appointment (bloods to be reviewed)

4

MRI booking and scan

To rule out further organic causes and to identify treatment site.

5

Prescription appointment and 1st treatment session

To rule out further organic causes to identify treatment site.

6

Patient receives prescribed rTMS treatment

Ranging 6 weeks (30 sessions) up to 7 weeks (35 sessions), if required. Mid treatment review included.

7

Post-treatment handover

We provide full summary and details of treatment back to the referring doctor.
